In The Pink Forest Lakes 2026

It's that **PINK** time of year again! Grab a partner and get your pink on! Please plan to join us on Friday, September 18th, and Saturday, September 19th, for the 24th annual **In The Pink** Tennis and Pickleball tournament.

In The Pink at Forest Lakes will be held on Saturday, September 19th from 9 am to noon. This is always a fun fun fun event for a good cause! There will be fun tennis, snacks, and prizes. So, come out and get your Pink on!

Last year, the event raised $44,000 that went directly into Sentara Martha Jefferson Hospital programs to support patients and families by making possible FREE programs to help women prevent, diagnose, treat, and survive breast cancer. Funds from In The Pink provide free breast health screenings, prosthetic devices, wigs and scarves, a 12-week survivorship program, and more! Recent funding has supported the purchase of a minimally invasive breast tumor device that tags tumors before surgery, improving both patient outcomes and the overall surgical experience. Many of these offerings would not exist, let alone be free, without community support through events like In The Pink to bring comfort and healing to women and families as they battle cancer.

A special and sincere thank you to our Grand Slam Sponsor, Loring Woodriff Real Estate Associates, whose leadership and generosity help turn this pink-filled weekend into lasting impact for women across our region.

If you have any questions, please contact Maggie Leary, at mleary1@comcast.net
