

8th Annual BSA Campsite Cleanup - Newport News Park Campground

WHEN: Saturday 30 March 2019 from 8:30 am till 3:30 pm (rain or shine)

Come help improve the park, and make it a place to be proud of! Let's get it ready for the season and build community among everyone in the park. Cleanup in the morning or afternoon, bring a lunch, and walk the trails. One of the largest municipal parks in the country, this magnificent 8,000 acre-oasis is home to an incredible variety of native wildlife – deer, foxes, otter, raccoon and beaver, to name a few – all found in a natural setting of lush woodlands, flowering meadows and shimmering lakes. Its unique natural beauty makes Newport News Park a favorite destination for campers who love the great outdoors. Campsite Clean-up will consist of trash pick-up in the 188 campsites located in 6 campground loops and associated areas along the lake. Removal of trash/ litter in the un-occupied campsite fire rings and removal of unauthorized user created fire rings.

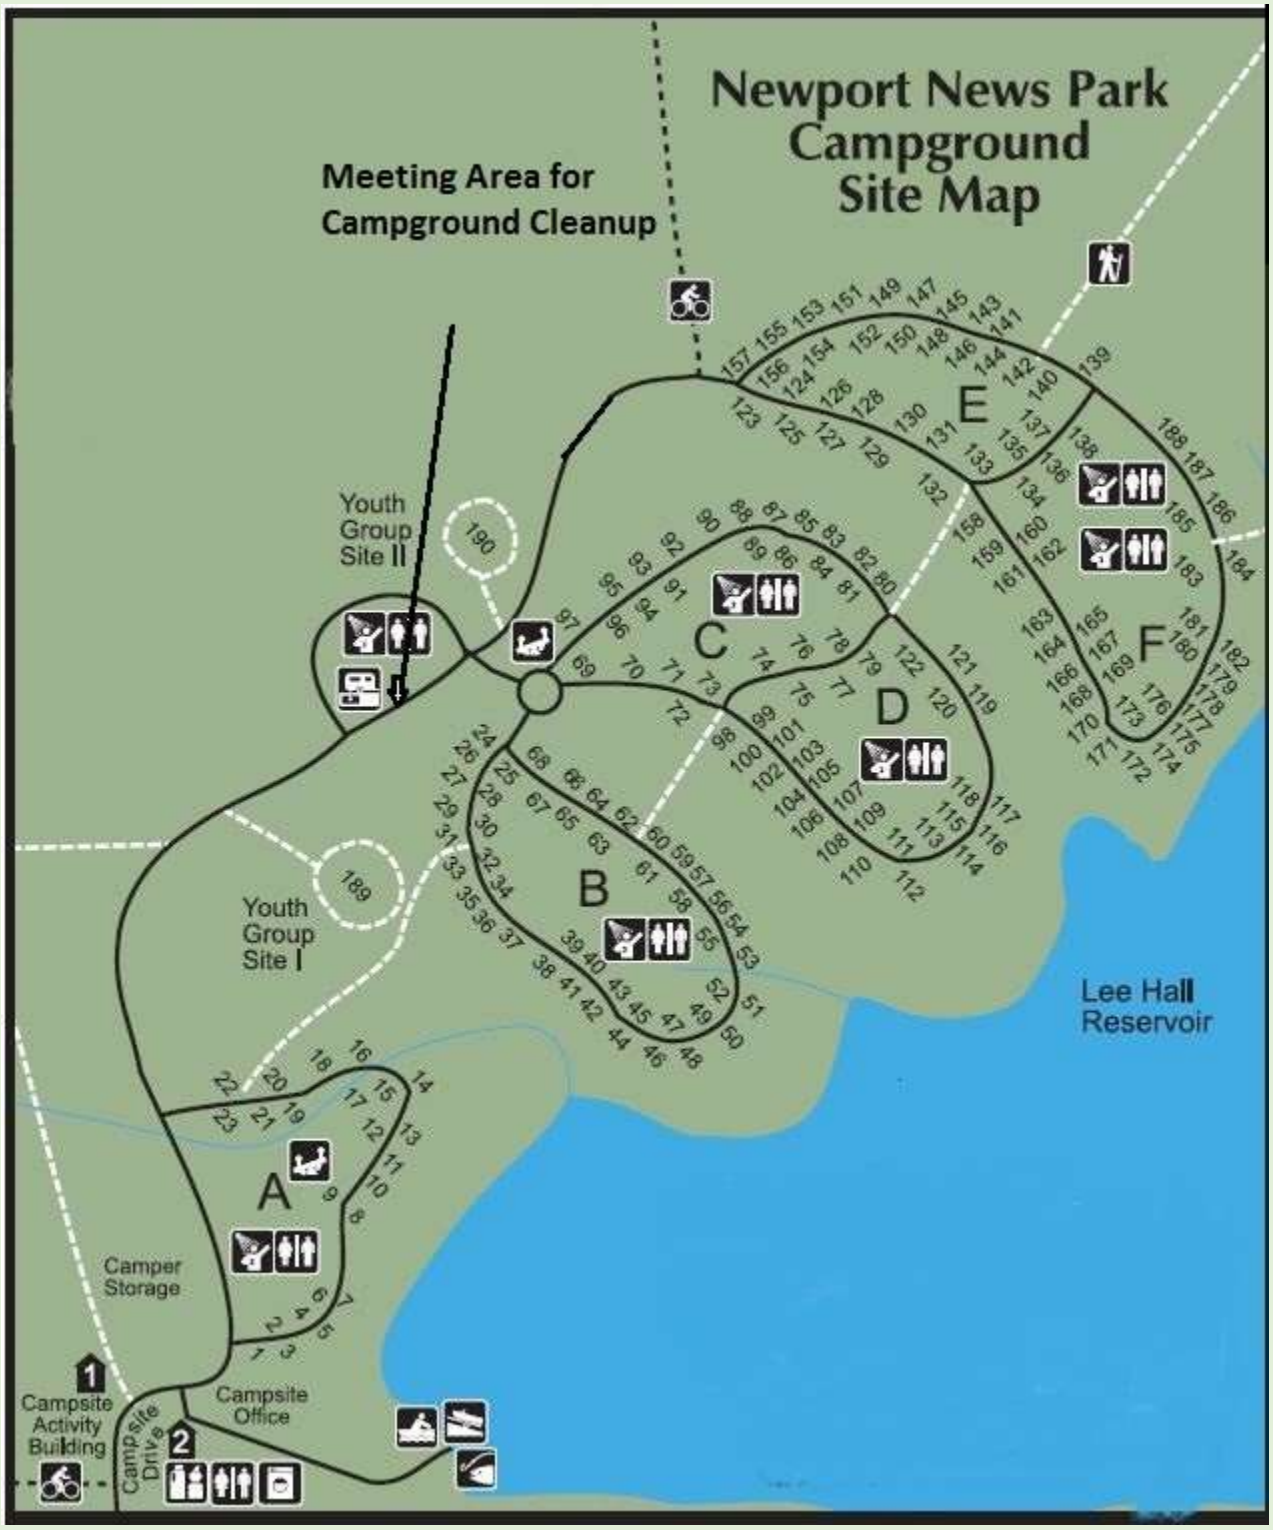

Meeting Place: Parking Lot beside Group Site 2 (Map on back)

Items to bring: Gloves, wheelbarrows, shovels and rakes. Trash Bags will be provided!
