What is NYLT?

National Youth Leadership Training is an exciting, action-packed program designed to provide youth members with leadership skills and experience they can use in their home troops and in other situations demanding leadership of self and others.

BSA engaged a task force of leadership experts and hundreds of Scouts in pilot courses across the nation reviewed and tested every aspect of the new NYLT syllabus, which incorporates the latest leadership ideas and presents fresh, vital and meaningful training for today's Scouts.

The NYLT course centers around the concepts of what a leader must BE, what he must KNOW, and what he must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the patrol goes on a Quest for the Meaning of Leadership.

NYLT is a six-day course. Content is delivered in a troop and patrol outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aids, which allows participants to understand and employ the leadership skills much faster.

The new NYLT integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, NYLT participants will be engaged in a unified approach to leadership that will give them the skill and confidence to lead well. Through a wide range of activities, games, and adventures, participants will work and play together as they put into action the best Scouting has to offer.

Quality Staff

NYLT is a youth led, youth run event. Youth staff plan, prepare and deliver the NYLT curriculum to the participants. A trained youth staff member is assigned to work with each patrol throughout the 6 days. This Troop Guide is responsible for training the participants and guiding them through the stages of team development. Youth staff members are supported by a small adult staff who report to a BSA Nationally trained Course Director.
