

Kickball CHALLENGE

SUPPORTING GREATER BOSTON NUTRITION PROGRAMS FOR INDIVIDUALS & FAMILIES WITH FOOD INSECURITY

Here is your chance to grab 8+ of your friends/coworkers and play up to four 5 inning games of kickball for a local worthy cause. Join local nonprofit, Middlesex Human Service Agency (MHSA) for a fun evening of kickball, lawn games, BBQ and awards ceremony while supporting MHSA's Nutrition Program.

All money raised will go directly to MHSA's Nutrition Program that serves and distributes food to 150,000 community members annually. Our Bristol Lodge Soup Kitchen is open 365 days a year, serving hot, nutritious meals to over 100 community members daily. MHSA also offers a weekly Food Pantry and monthly Mobile Market that provides a variety of food items free of charge. These programs require significant funding to continue servicing families and individuals in need. Hunger impacts over 10% of people living in Massachusetts. We can make a difference!

WEDNESDAY JUNE 26, 2019

4:00 - 8:00 PM
