

Class of 2020 Senior Robing Ceremony

NYOS Charter School

The robing ceremony is an opportunity to honor teachers/staff who have been important in your academic and personal growth. As you get ready to graduate, you want to reflect on your accomplishments and those who have helped in supporting you all these years. Think back as far as you can: was it your 1st grade teacher, your little league coach, your 10th grade teacher, or even the teacher who you never had for a class, but was always there to guide you in making life decisions. Because I am sure there are a number of people you would love to recognize, due to timing, you cannot have more than 4 teachers. You can include honorable mentions if you'd like.

These are the expectations for this year's robing ceremony:

- No more than 4 teachers/staff who can robe you.
- The honorary note that will be read is limited to **250 and no more than 300 words total.**
- **You can include what your plans are after you graduate. For Example:** Norma Reyes has been accepted to Texas State University and will begin in the Fall.
- You will create 1 Google doc and share with me: nreyes@nyos.org. (with editing privileges) **no later than Friday, April 24, 2020.** Please include first and last name, plus your NYOS email address.
- You need to make sure that you have contacted those who do not work at NYOS and ask them if they can attend.
- I will contact those who still work at NYOS.
- **Robing ceremony will take place at Kramer on Thursday, May 21. You need to arrive by 5:00 p.m. with your graduation robe**
- If you would like to write a longer honorary note for one of your teachers, I can have it delivered to them.
