Dear Kathy:

This is to thank you and your team for the comprehensive presentation to the Florida International Women's Forum (IWF) on November 22, 2021. We are so proud of you as one of our members, and most proud of the work that you are doing within Miami-Dade County State Attorney General's Office.

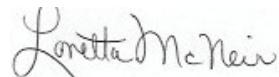

We would like to especially thank Mr. Stephen Talpins for his involvement in the presentation, as well as all of those behind the scenes that made this evening possible. We know that your presence is needed in so many areas daily, and the fact that you spent quality time with us to share your offices programs and accomplishments is heartfelt.

The role that your office played in helping to accomplish inclusive reforms on law enforcement in Florida HB 7051 is notable. Your program on Smart Justice is also to be recognized in ensuring that people are treated as individuals and not just a number. Last, but not least, we are proud to see the diversity within your office.

As a group of women leaders within the South Dade Community, we too are working to be the change we want to see in the world. We invite you to participate with us and our Diversity and Inclusion Committee any time.

Here's wishing you continued success in carrying out the tenets of Miami-Dade County's State Attorney's Office and in your contributions to honor the diversity of our county and State.

Sincerely,

Loretta McNeir  
Chair of the Diversity and  
Inclusion Committee, IWF Florida
