

Dear 1199SEIU Participating Provider:

We are writing to inform you that your 1199SEIU Greater New York Benefit Fund (GNYBF) patients will no longer have co-payments for certain services, effective January 1, 2019. As of this date, GNYBF patients will have a \$0 co-payment for the following services:

- **Primary care physician and specialist visits**
- **CT scan, PET scan, MRI, MRA and other high-end radiology services**

Your GNYBF patients will soon receive new 1199SEIU Health Benefits ID cards listing the new co-payment status; when seeing patients, please be sure to request the new ID card and make a copy for your records. Going forward, please do not collect co-payments for these services, and you will be reimbursed the full fee schedule, including the co-payment amount.

Thank you in advance for your cooperation.

Sincerely,

Shelly Chun  
Director, Provider Relations
