

**Mount
Sinai**

You are invited to a
Panel Discussion about the Women's Cancer Program at
The Blavatnik Family – Chelsea Medical Center at Mount Sinai

325 West 15th Street

Monday, March 16, 2020

6 to 8 pm

**Learn about our programs in Gynecologic Oncology and Breast Cancer
and how we can be of service to your patients with
routine and complex conditions.**

We provide diagnosis, state-of-the-art treatment, and support services, all in one place.

Light Refreshments

Space is Limited.

RSVP by March 6 to MountSinaiCancer@mountsinai.org
