

CIN Rates and Value-Based Contracts Quick Guide

Through Mount Sinai Health Partners' clinically integrated network (CIN), primary care physicians and specialists collaborate to continuously improve the quality and effectiveness of health care services. By partnering with like-minded payers, Mount Sinai Health Partners is able

to better align payment models with our collective efforts to improve the value of care we deliver to our patients. See the table below to learn which payers offer fee-for-service rates for members of the clinically integrated network as well as value-based PMPM arrangements for primary care providers.
