

The Practice Profile web tool allows you and office managers in your practice to view, update, and attest to provider and practice demographic information on file with us. Information includes provider's name, NPI, email address, provider type, specialty, acceptance of Medicare and/or Medicaid, telehealth services, online scheduling, EMR system name/address, EMR attestation and practice location information. **Your submitted attestation will complete the "Practice Communication" requirement of the MSHP Clinical Integration Program and ensure your practice information is accurate on MSHP directories.**

Get Started

1. Log into the MSHP Provider Portal at <https://mshp.mountsinai.org/web/mshp/login>
2. Click on the **Practice Profile** application tile.

Practice
Profile

3. You will be brought to the following screen to review, attest, and/or submit changes to your practice profile information.

Practice Profile

Please review your practice's information, submit corrections as needed and click on "Review all Changes/Submit" to attest to your profile's accuracy.

This attestation is necessary as part of MSHP's Clinical Integration Program "Practice Communication" requirement. What's more, verifying your information helps to ensure you are listed correctly in our MSHP and health plans' provider directories.

Need help? View [these guides](#) for a detailed walk-through of how to attest to the accuracy of your practice profile, including submitting corrections.
