

The Novi Chamber of Commerce invites you to the

Winter Business Mixer

Tuesday, February 6

Novi Civic Center

5 - 7pm

\$5 per person

We LOVE our Novi Businesses!

This is a great opportunity for small to medium sized businesses to come and meet like-minded people while also learning valuable information about the services available to them in the area.

Come join us for an evening of appetizers and cocktails.

Our Chamber Leaders can provide an update on all the great happenings in our business community. While our City of Novi partners will be on hand to answer questions specific to the City.
