

Canal Pointe Industry & Commerce Park Underway

Molto Properties recently broke ground on an expansion of the Canal Pointe Industry & Commerce Park on Robinett Way in Canal Winchester. Molto already completed and fully leased two buildings – a 450,696-square-foot facility at 7717 Robinett Way and a 374,626-square-foot building at 7697 Robinett Way.

The new facility will be 210,600 square feet of speculative industrial space, bringing the park expansion to more than 1 million square feet of new industrial space. This new building will be completed in the spring of 2027 and is being marketed for lease by Jeff Lyons of CBRE.
