

Serving the unique health care needs of small employer members.

UnitedHealthcare works with the National Restaurant Association (NRA) and the New Mexico Restaurant Association (NMRA) in a strategic alliance, offering exclusive health care pricing and solutions for NRA/NMRA small employer members.

3 ways NRA/NMRA small employer members can access UnitedHealthcare's exclusive offerings:

- 1 **For small businesses with 2-99 employees:** New **Restaurant & Hospitality Association Benefit Trust** option for fully insured hospitality groups.
- 2 **For small businesses with 51 or more employees:** Up to a 5 percent discount on manual medical rates for fully insured groups.
- 3 **For small businesses of all sizes:** Up to a 5 percent discount on specialty benefits products (dental, vision, life, disability, accident and critical illness) for fully insured groups — in addition to all other discounts including bundling benefits programs.

New Restaurant & Hospitality Association Benefit Trust option for small employers.

The new **Restaurant & Hospitality Association Benefit Trust** is now available to quote as an option for NRA/NMRA hospitality member groups. The RH Association Benefit Trust is a new health benefits solution insured and serviced by UnitedHealthcare and focused on small employers with 2-99 eligible employees. This solution can offer NRA/NMRA members some of the same advantages of large employers regarding more health plan designs for product and potential pricing flexibility. Available nationally, the new RH Association Benefit Trust features a product portfolio with more than 120 health plan designs. It is just one more way for hospitality businesses to access UnitedHealthcare's solutions for NRA/NMRA members.
