

Hurricane Recovery - Puerto Rico

June 17, 2019 – June 23, 2019

We embark on this return journey to Puerto Rico to walk with
our brothers and sisters who have experienced great loss
in the aftermath of Hurricane Maria.

We are ambassadors of Christ, representing
the congregations and members of the Presbytery of San Jose.

We will serve where we are needed, and we will look for opportunities
for our congregations to continue in service after we return.

We ask for your prayers and the prayers of your congregation as we travel, and
for the people of Puerto Rico as they continue to find hope in the midst of chaos.
