Jeannette Bumagat
Front Door Communities

She is enthusiastic about the well-being of families and children. Jeannette's Degree in Business Operations and Master's Degree in Education is perfect for her job as Executive Director. Prior to coming to Front Door Ministries she coached youth sports for 30 years and worked in the social services sector for 20 years. She is committed to the organization's mission of helping those in need. Her extensive work with displaced individuals and low-income populations has equipped her with the ability to communicate well when working with people from varying cultural backgrounds.

Martha Wills
Immanuel House

She grew up in the southeast US, descended from a long line of Presbyterians. She holds a B.A. and M.A. in French and worked in the publishing industry before she and her family moved to Los Gatos in 1993. Since then she has served as the Director of Children's Ministry at the Presbyterian Church of Los Gatos and held numerous volunteer positions, including as a deacon, an elder, and a member of the Presbytery's Committee on Ministry. She has been the chair of the Immanuel House Board of Directors since 2015. The house is a home for refugees and helps them to understand San Jose.

Patrice Kuerschner
Emmaus House

Patrice came to Emmaus House after serving over 30 years in sales, marketing and executive management. While raising her two sons she spent 4 years as Cub Scouts Program director for the San Benito County Day Camps. Her passion for children's welfare and desire to empower women to make stronger and forward-thinking decisions lead her to Emmaus House. As Executive Director, "I am proud and excited to be a part of the vision of Emmaus House. I'm happy to continue the life changing work that we offer – not just providing emergency housing to women and children in need – but empowering them as they learn life skills that will assist them as they move toward a more positive future."
