“In this rich, insightful memoir, Molnar offers a child's-eye view of life in Romania in the late 1950s. [Her family is] a lively, eccentric bunch brought vividly to life in a simple first-person, present-tense narration.... Black-and-white family photographs illustrate this poignant, memorable memoir.” —Kirkus (STARRED)

“As Eva pieces together her family's history, a vivid story emerges; ranging from funny tender moments of family life to the horrific revelations of the Romanian holocaust, about which little has been written....[a] poignant, memorable offering.” —Booklist

“Finely wrought moments poignantly render the political and religious complexity of Eva's childhood: her best friend, a Christian, searches Eva's head for horns; her Jewish aunt delivers a Christmas tree; she learns that two Nazis saved her family's lives years earlier. Haunting images and humorous anecdotes combine to powerful effect in this impressive debut.:” —Publishers Weekly (STARRED)

“Under a Red Sky is full of odd, vivid details from a time and place in Europe that seldom figures in books for young adults.” —Wall Street Journal

“a readable, informative, and engaging book” —School Library Journal

“Molnar reminiscences about the challenges faced by her Holocaust-surviving elders under a repressive regime, and the confusion she felt upon discovering she was Jewish, at the age of 8, when her parents applied for emigration to Israel.” —Tablet
