

2018 CYO Knights Football

WE NEED YOU TO MAKE THE DIFFERENCE!

CYO Knight Football Mission

Our main mission as a coaching staff is to help young men learn how to be stronger in their faith, in the classroom and in the community through the game of football. We strongly believe that through the game of football we can help young men improve; commitment, communication, sacrifice, dedication, leadership, discipline and teamwork on and off of the football field. Become a Knight and learn how!

We will be visiting schools this spring to share this message and answer any questions. We ask that all young men if possible, please fill out the information sheet below and send it back to me or bring to the meeting even if you are not interested in playing. Completed or email them to jasonglenn44@hotmail.com. Copies will also be provided the day of the meeting.

Sincerely,

The Knights Coaches

Please have your son write a sentence or two about why they want to play football:

Parents do you have Time, Talent, or Treasure?

Not all of us have the time or ability to coach our kids, but want to be part of their teams as more than a fan. We are looking for ways to get you involved such as fundraising, social media, video of practices and games. If you are interested in any of the items above or have other skills to share, please let us know on the information sheet below. Please share with us any ideas on how you can or would like to help out our program.

Please share any other questions or concerns about our program including or as to why you are not interested or able to have your son play football. We want to learn from this so we can determine ways to improve the program for the future.
