# **HIGH ABILITY PROGRAM**

We would like to welcome Mrs. Sindelar to our staff! Throughout this year, Mrs. Sindelar will be developing an instructional model for our higher achieving students at Saint Elizabeth Ann Seton Catholic School! We are excited to have this opportunity to further develop our students at Saint Elizabeth Ann Seton Catholic School.

Currently, we are in the early stages of looking at our data as it relates to student learning and achievement. Then, based on our student population, we will establish criteria for identifying students who will benefit from enrichment activities. Finally, this information will facilitate the development of a High Ability Program and will guide a model that best meets the needs for our higher achieving students.

As we progress throughout this year, you will be informed of the progress we are making towards this exciting opportunity! Mrs. Sindelar will continue to collaborate with teachers and work together in establishing differentiated activities for our students during the school year!
