School Counseling Intern...

Erin Reyes

This is my third year at Purdue Fort Wayne as a school counseling graduate student. I have 3 children that are attending St. John the Baptist, and before kids I was a teacher at a few Catholic schools for 9 years. I feel very blessed to have this year to be working with your amazing children here at Saint Elizabeth Ann Seton Catholic School!

Grades K-5

Second Step Bully Lessons

There are three R's of Bullying – Recognize, Report and Refuse. Students are learning that bullying is repeated, it is mean and intentional, it is one sided, and there is an unfair match. They have identified safe adults to report bullying to, and have learned how to stand up to bullying in a strong and respectful way!

Middle School

College and Career

All MS students have completed a series of five lessons using the Indiana Career Explorer website, with the guidance of their house advisor. These lessons will assist them in getting to **KNOW** their interests and talents, **CONNECT** those interests and talents with career choices, **SELECT** what they plan to do after high school, understand the **INVEST**ment (cost, financial aid, and savings), and finally plan for where they will **GO** after high school. Students will have the opportunity to present their plan to staff and parents...more information to come!
