REMINDER: There is still a temporary Emergency Closure in effect for the Eldorado National Forest through the end of September. This closure includes all National Forest Service lands, roads (including Mormon Emigrant Trail) and trails within the Eldorado National Forest. See Forest Order 03-21-14 for more information. To request access to private lands within the warning area, accessible via closed Forest Service roads, please contact your local Forest Service District Office. The Lake Tahoe Basin Management Unit is closed under the Regional Emergency Closure of all National Forests in California. See the Regional Order for more information. Recreation residences and other permittees should contact their permit administrator for questions regarding access when their area becomes open for repopulation.

Repopulation consists of complex coordination between fire, law enforcement, public works, and utilities to ensure the safety of residents and fire responders alike.

The public is reminded to stay vigilant on current fire conditions. Please continue to adhere to road closures and any evacuation orders and warnings. A reminder to drive slowly and yield to emergency personnel in the area. There will be smoke in the respective areas as firefighters continue firefighting operations. If at any time you feel unsafe, please call 911. For tips on returning home after wildfire visit: Returning Home Checklist - Ready for Wildfire
