

Membership Application

Being part of the California Farm Bureau means adding to the combined strength of a membership that includes over 32,000 farmers, ranchers and families throughout the agricultural community. Together, we work tirelessly to advocate and protect the future and quality of life for all California farmers and ranchers.

Join us in standing up for California's farmers and ranchers!

Agricultural

Joining California Farm Bureau provides access to information and services to help you in protecting and growing your business including publications like Ag Alert®, providing in depth reporting on trends, legislative issues, labor, climate, labor compliance tools, exclusive discounts and more. If you derive income from a career in agriculture, this membership class is designed to enhance your bottom line.

Associate

Join Farm Bureau as an Associate Member to show your support for your local farmer and rancher. We are committed to making sure that all families have access to fresh, California grown food and other agricultural products. Annual membership includes six editions of the *California Bountiful*® Magazine that offers a behind the scenes view of our diverse agricultural communities alongside a suite of numerous member benefits and discounts.

Collegiate

If you are between the ages of 16-24, join as a Collegiate Member to get access to Ag Alert® online plus networking opportunities for scholarships, internship contacts, local and state events and the Young Farmers & Ranchers program. At only \$25/membership, this class allows you to access the benefits of Farm Bureau at an affordable rate.
