Signature(s) _____ Date _____

Please direct inquiries to the church finance office at (816)781-2824.

A Thank you from the Financial Stewardship Committee!

We would like to thank everyone for their continued financial giving during this time we cannot meet in person. Whether you're giving by check, ACH, or debit/credit card, it's gratifying to see your stewardship. Thank you so much!

If you would like to automate your giving so that you don't have to mail a check or send one when you're out of town, we can offer three secure ways to process your tithe. Attached is a form to complete and send to Karri George, 300 E. Kansas, Liberty, MO 64068. Your information will be uploaded into the automated system at 2BC's bank (Pony Express Bank). Once your first payment is processed correctly, Karri will shred all of your account information so that it is not kept on file at the church.

Way #1 Bank to bank ACH transfer

Once a month, transfers are made of the automated payments for 2BC on the tenth. Any time that you want to stop your automatic payment, all you have to do is call Karri. There are no fees to process these transactions. These are ACH transactions which stands for Automated Clearing House. This means these transfers are directly between your bank account and the church's bank account.

Way #2 Bank through Vanco ACH transfer

We also offer ACH directly on our 2BCLiberty.org website through Vanco, a reputable third party provider. There is no fee for an ACH transfer through Vanco. This too requires your bank account information provided to Vanco on the website. You can process one-time payments or ongoing payments. You can pick your own dates for the payments. There's quite a bit of flexibility on the website.

Way #3 Credit/debit card through Vanco

If you prefer to provide your gift from a credit or debit card through Vanco, you can do this on your date of choice. The church pays a 3% transaction fee for gifts made this way.

Way #4 Continue to mail checks during this time

Some people are concerned with the safety of their financial data online. If you feel uncomfortable with it, please continue to mail your checks.

If you would like a secure way to automate your tithe, using Way#1 would be the most secure way to accomplish this. If however, you'd like more flexibility with online giving, take a look at Ways #2 or #3 on the website. You'll be able to customize your tithe giving exactly the way you'd like.

Thanks again for your deliberate giving during this most unusual time. You are appreciated.

The Financial Stewardship Committee
