Re: B24-0416 - Revised Criminal Code Act of 2022

Representative Pelosi, Representative McCarthy, Senator Schumer, and Senator McConnell,

My name is K. Denise Rucker Krepp and I'm an Advisory Neighborhood Commissioner in Washington, D.C. I'm writing to you today to ask that you enact into law a joint resolution disapproving the Revised Criminal Code Act of 2022 (RCCA). The bill hurts victims of violent crime.

Currently, convicted rapists must serve their full prison sentence. The RCCA creates a new right to petition for early release from prison. The D.C. Councilmembers who drafted this provision call it proportionate, balancing the interests of victims and those who commit the crimes.

Rape is an irreversible crime. Victims don't get to rewind the clock and as a locally elected D.C. official I respectfully ask that you disapprove the bill, stopping it from becoming law.

Additionally, I respectfully ask that you conduct oversight over prosecutions of violent crimes occurring in Washington, D.C. At a March 2022 meeting, the U.S. Attorney for the District of Columbia told me that he didn't know what crimes his office prosecutes each year and that it is unreasonable for me to expect him to know this information.

I've been a locally unpaid, no staff elected official in Washington, D.C. for eight years. Over this period of time, I've tracked the murders, armed carjackings, assaults, robberies, stabbings, shootings, and rape that have occurred in my single member district. The U.S. Attorney for the District of Columbia has staff and resources, and it's reasonable for him to know what crimes his office prosecutes. Please ask him to do so and to share this information with you and DC residents.

Thank you.

K. Denise Rucker Krepp  
ANC6B10 Commissioner
