

Building Bipartisan Support For Climate Action

January 30, 2025 at 7pm

Via Zoom: Register Here

Please join the League of Women Voters of Michigan Environmental Network and the Michigan Citizens' Climate Lobby for an educational presentation focusing on practical ways to build bipartisanship in partisan times.

Linda Racine, Michigan Co-Coordinator of Citizens' Climate Lobby, will be our presenter. The program will include a short interactive session to practice the engagement and listening skills we need in order to advance our goals and protect our environment.

Contact Sandy Sorini Elser at Advocacy@LWVWashtenaw.org for more information
