

SUNY Downstate's 1st Annual Mentorship Symposium

Advancing the Science & Practice of Mentorship in Biomedical, Behavioral, and Clinical Research

Join us in a discussion of equitable,
sustainable, and effective mentorship

Keynote Speaker Adaira Landry, MD, MEd

Adaira Landry, MD, MEd is an Assistant Professor of Emergency Medicine at the Harvard Medical School and Brigham and Women's Hospital. Her academic interest focuses on mentorship of early career professionals. Dr. Landry speaks nationally on mentor-mentee relationships and strategies for career development. She is a healthcare contributor for Forbes and the co-author of *MicroSkills: Small Actions, Big Impact* with Harper Collins, a book for early-career professionals to navigate the workplace.
