FAITH BASED ORGANIZATIONS SERVING HEMET & SAN JACINTO

The word "Mission" comes from the "Great Commission" that Jesus Christ charged his disciples by sending them to All Nations, to make new disciples, and by teaching them to obey the commands he had modeled for them. If Jesus is your savior, then you have been commissioned and given full authority to share the "Good News" of salvation through Jesus Christ.

Overcome Ministries

Our Purpose

We are a restoration ministry motivated by the gospel, to love, encourage and equip the women of our cities and communities into relationship with Jesus Christ. It is our heart to help women whose past hurts hinder their victorious walk with Christ. Our goal is to challenge the false ideas (developed by our past experiences) that we built the foundations of our lives upon. Once we identify these false ideas, we can then rebuild these foundations based on the truth of the Word of God.

We believe God has called us to reach women by providing a safe place and space for women to grow in their relationship with Jesus and with each other by providing Christ-centered resources, bible studies, gatherings and events. In doing so, we want to give away to the world what God has given us: Hope, healing and joy!

Yet in all these things we are more than conquerors through Him who loved us. Romans 8:37

We exist to share that all life is precious.

Over 60 million babies have been lost to abortion since 1973. We're here to raise awareness to this terrible holocaust. But, it's not simply a matter of knowing, we want to make a symbol for all to see.

Each year in January we host a rally/walk and plant crosses at Prince of Peace Lutheran Church in Hemet to create the "Cemetery of the Innocent". It is our hope that you will join us to create this powerful visual of the innocent lives that have been lost. We provide crosses for any Church that would like to participate.

U-Turn For Christ is a Christian Discipleship all-encompassing re-entry ministry for men and women trapped in the deceptive, never-ending cycle of addiction. The U-Turn Ranch provides residents with the opportunity to give back to a community that was once ambivalent towards them. U-Turn's goal is to teach individuals to be independent, self-supporting, and stable under the Lordship of Jesus Christ by becoming an asset to their family, church, friends, employers, schools, and society. Most enrollees come to U-Turn For Christ after hitting their life's "bottom," and some are ready to do whatever is necessary to have Jesus Christ restore their lives and give them peace again. We have found with men and women prepared to give up, "leaning on their own understanding," and completely surrender themselves to the Lord's work for eight months, their lives are never the same.

TOWARD MAXIMUM INDEPENDENCE

TRANSFORMING LIVES

*An estimated 1 in 6 people are born with a developmental disability. Just like all of us, they are born with hopes, dreams and the drive to contribute to society. Since 1981, **Toward Maximum Independence (TMI)** has transformed thousands of lives by providing assistance to children and adults with*

intellectual and developmental disabilities (IDD), giving them the ability to realize their hopes and dreams. At TMI we are advocates for the belief that disability does not mean inability. Independence and self-responsibility are fostered by respect for the individual's autonomy and by empowering the individual to make informed decisions. It is important that everyone should have the opportunity to reach their full potential with opportunities to perform functional and meaningful activities or work with support, if needed, to promote success.
