

## Orange County News & Events

### Saddleback Church

Sunday Jun 24, 2018 @ 1 PM-3PM

Join us at the monthly Hope for Mental Health Community! This is a safe place for anyone living with mental illness, family members, friends, volunteers, and anyone who has a passion to journey with others toward hope. We invite you to this warm and welcoming place where you can connect, learn about mental health and wellness, and provide support to one another. We believe that you are loved, you have a purpose, you belong, you have a choice, and you are desperately needed in this world. We hope to see you there!
