

Division of Neonatology

Pediatric Academic Societies Presentations Schedule

Date	Time	Session	Authors	Title
4/27/19	P.M.	Poster Session #366	Kleinfeld, A., Huber, A., Kameyama, H., Sun, A.T., Hegyi, T	The effect of conjugated bilirubin on measurements of unbound bilirubin using the UBCheck and Arrows UB analyzer methods
	P.M.	Poster Session #365	Kleinfeld, A., McCarthy, N., Subramonian, D., Huber, A., Sun, A.T., Hegyi, T.	The effect of drugs on unbound bilirubin measured with the UBCheck method.
	6:15 P.M.	Neonatal Hematology & Bilirubin Metabolism Platform Session Convention Center Ballroom I	Hegyi, T., Chefitz, D., Weller, A., Huber, A., Kleinfeld, A	Unbound bilirubin (Bf) levels in newborn infants.
4/28/19	4:15 P.M.	Gastroenterology/Hepatology Platform Session Convention Center 343-344	Memon, N., Eckman, E., Herdts, A., Hegyi, T., Caryannopoulos, M., Alesunes, L., Guo, G.	Atypical bile acids in neonates.
	P.M.	Poster Session #546	Choudry, O., Abramova, E., Taylor, S., Hegyi, T. Gow, A.	Nitric oxide donors alter surfactant protein-D structure and inflammatory function following ozone exposure.
4/29/19	P.M.	Poster Session #518	Khalil, M., Vieth, J., Joshi, A., Hegyi, T. Sant'Angelo, D	BTB-ZF transcription factors heterogeneously expressed in neonatal naïve CD4 T cells lymphocytes isolated from cord blood.
	P.M.	Poster Session #250	Yoo, A., Moore, D., Hegyi, T.	Association between neonatal jaundice and risk of attention deficit hyperactivity disorder (ADHD): Analysis of a U.S. commercial insurance database
	P.M.	Poster Session #522	Joshi, A., Vieth, J. Khalil, M., Hegyi, T., Sant'Angelo, D	nicT cells: A potential new target for fetal and neonatal inflammatory disease.
	P.M.	Poster Session #663	Ostfeld, B., Hegyi, T	Relationship between safe sleep practices and rates of sudden unexpected infant death
	P.M.	Poster Session #664	Hegyi, T., Ostfeld, B.	Sudden Unexpected Infant Death during the first month of life: The New Jersey experience.
4/30/19	A.M.	Poster Session #728	Mariduena, J., Ramagopal, M., Laumbach, R., Hiatt, M., Chandra, S., Hegyi, T	Vascular Endothelial Growth Factor (VEGF) in preterm infants
