

South Dakota **Charting the LifeCourse**
February 2021 Events & Opportunities

SOUTH DAKOTA
COMMUNITY OF PRACTICE
FOR SUPPORTING FAMILIES

Everyone wants a good life! The Charting the LifeCourse framework was created to help individuals/families of all abilities and all ages develop a vision for a good life, think about what they need to do, identify how to develop supports, and discover what it takes to live the lives they want to live. Use the tools in your personal and work life.

Supporting Families Community of Practice State Team Meeting

Agencies, organizations, families, self-advocates and interested stakeholders meet bi-monthly to share information, resources, and work on shared issues.

Date: Wednesday, February 3, 2021 **Time:** Noon CT/ 11 am MT

Join Zoom meeting at: <https://state-sd.zoom.us/j/94708608593?pwd=TDVwODZJbE54Z01ic3NPL1d3VXhGUT09>

A "space" to connect, share resources, & talk about issues that are important to them.

Date: February 10, 2021

Times: Professionals & Families Session: 12 pm CT / 11 am MT
Families Session: 8-9 pm CT / 7-8 pm MT

Date: February 24, 2021

Times: Professionals & Families Session: 12 pm CT/11am MT
Families Session: 8-9 pm CT / 7-8 pm MT

Topic: Mapping Relationships - Who is going to be in the person's life in the future? This tool can help you think about what role/s the people in a person's life might fulfill as they plan their future.

Grab your coffee and a snack, then Let's Talk!

Join the casual conversation at (no registration required): <http://tinyurl.com/1ss92n9f>

Charting the LifeCourse Training:

An opportunity to learn or "brush up" your basic skills in the Charting the Lifecourse Framework (CtLC). This interactive session will include information on the underlying philosophy of CtLC, introduction to the basic tools, and examples of how the framework can be used to plan, problem-solve, and support people to have good lives.

Date: Wednesday, February 17, 2021

Time: 1:30-3:30 pm CT/12:30-2:30 pm MT

Registration Required at: tinyurl.com/3noljpz7
