Please visit their site at <http://cityofpensacola.com>. Walkers must also be able to notify their driver of any problems that may require immediate action for the safety of all. Walkers are not allowed to carry or throw beads, but are allowed to hand off loose beads to the crowd. PMGI does not require a minimum age for walkers, but instead requires all walkers to be of sufficient age to appreciate the dangers of operating motor vehicles and parade floats in close proximity to people. It is the applicant's responsibility to ensure that all walkers meet these requirements.

7. A minimum of one 5-pound dry chemical fire extinguisher of the multi-purpose ABC style is required on each float.

10. Maintain a minimum distance of 50 feet in front of your entry.
