

HB 3233 Summary

- **Transportation Fee increases:** as summarized in table below.
- **Indexing of certain fees:** both the MFT and vehicle registration fees (both personal vehicles and trucks) are indexed to inflation.
- **New RTA Funding Opportunities:** allows for the RTA to adopt additional funding strategies to benefit the local transit agencies.
- **Municipality MFT authority:** municipalities are allowed to adopt an MFT (no more than \$0.03/gallon) if they also adopt an approved responsible bid ordinance.
- **New project selection process:** formal ranking/selection process for transportation projects through IDOT and transit agencies that uses performance measures.
- **Repeal Commercial Distribution Fee (CDF):** this is a tax on all trucks; it is repealed, but that's why the special fuels MFT was increased slightly more.
- **Illinois Works Jobs Program:** provides grants to help create network of community based organizations to recruit, pre-screen, and provide pre-apprenticeship training, sets goal of 10% apprentices on public works projects, and provides incentives for contractors to hire minority workforce.
