
Dear Assisted Living Provider,

Relief funds for private-pay assisted living providers are under consideration from the Department of Health and Human Services (HHS).

To help facilitate this, HHS has requested our assistance in gathering specific information on licensed senior living providers, including assisted living, memory care, and CCRCs, in U.S. states and territories.

Your help will be needed as soon as possible: **Deadline is July 31, 2020 5:00 pm Eastern Time.**

A distribution to private-pay assisted living is not fully confirmed, nor are details about how an allocation might be distributed. However, providing HHS with this data is an important step forward, and we appreciate your help in being responsive to their request.

Companies that offer licensed/registered/certified assisted living/memory care should start preparing the following:

- Name of licensed/registered/certified assisted living and/or memory care community
- Name of entity that holds the license/registration/certification
- Address
- Community license/registration/certification number (some states may not provide a number)
- Corresponding Tax Identification Number (TIN)
- Taxpayer ID Number for the filing company
- Contact information for the person submitting data
- Include licensed assisted living that is part of a CCRC—even if the skilled nursing facility associated has already received funding from the Provider Relief Fund.

A group of national trade associations—Argentum, AHCA/NCAL, LeadingAge, and ASHA—are now preparing a **secure** data collection portal for your information. We'll get the link to the portal and instructions to you as soon as possible so you can input your data safely by July 31.

Please share this email with other providers. You do not need to be a

member of a senior living trade association to participate in this secure and confidential data-collection effort.

We'll keep you informed and have more details soon.

Thank you for your fast action in support of this vital aid to our industry. If you have any questions, please contact ncal@ncal.org.

Sincerely,

A handwritten signature in black ink, appearing to read "S. Tittle", with a stylized flourish at the end.

Scott Tittle
