Upcoming iQIES Service Center Hold Times

Due to the Payroll Based Journal quarterly deadline, the iQIES Service Center is projecting an increase in the volume of calls and emails between now and February 14, 2025.

Did you know:

- There are a variety of methods to contact the CCSQ Service Center.
- You can schedule a call with a Service Center Representative at a time that best works for you! Just go to the [CCSQ Support Central](#) page and click on Schedule a Call.

- You can also submit a ticket for support by clicking on Request Support.

- Live Chat: CCSQ Support Central Chat and Resource Line (CARL)**
- The Support Central Chat feature, CARL, is another option to use for assistance. To contact the Service Center via Chat, you will need to go to the [CCSQ Support Central](#) page and click on the Chat icon in the lower right area:

- Live phone and email support for February 14, 2025, PBJ Deadline** will be available through Friday, February 14, 2025 8:00 PM ET. All files must be submitted by February 14, 2025, at 11:59 PM ET. Files for Fiscal Quarter 1, with the reporting period of October 1, 2024, through December 31, 2024, will not be accepted after this deadline.

- Questions regarding the PBJ policy information should be directed to nhstaffing@cms.hhs.gov.
- **If you are having password issues or a rejected file**, please have your CCN and QIES User ID available for the Representative.
- **For PBJ submission inquiries**, please have your staffing summary report, individual daily staffing report and/or the Submission ID ready to provide to the Representative.
- **Use One Method to Report Issues** — Due to the anticipated increase in volume at the CCSQ Service Center and to minimize a backlog, please use only one method of reporting for the same issue (phone, email, or CCSQ Support Central). Note: Cases are processed in the order in which they are received, regardless of how the Service Center was contacted. Please allow time for processing.
- **Submit Your Data Early** — We encourage you to submit your Fiscal Quarter 1 PBJ data early during the submission period. Early submission will allow you plenty of time for Service Center assistance if needed.
