

## Congregation Sha'aray Shalom Membership Committee

CSS has a dedicated and devoted committee of your fellow congregants who seek out prospective members, engage and support our newest members, and provide continued help to our current congregants to sustain and retain their interest and participation in our congregation. The individuals who do this work are Andrea Kaufman, Beryl Skulsky, Nancy Heller, Jen Reidy, Annette Jenkins, Ellen Bernstein, Bev Levine, Marylyn Schultz, Beth Weiner, Wendy Barrett, Grace Strake and Allison Junkins. Our co-chairs are Laurie Dannison and Ellen Jacobs. We are always looking to add new congregants to our committee, so please feel free to let us know if you might be interested.

### *Here's where we need you...*

***We typically provide membership packets to those individuals and/or families that have expressed an interest in membership. In that packet, we would like to add a page of comments by you, our current congregants reflecting your thoughts about what membership means to you. This can be a 1 to 2- line sentence and does not require your name to be included. We know that everyone has different thoughts about what our congregation means to them, and we feel this information could be helpful to prospective members as they consider joining our temple.***

Please contact Ellen Jacobs at [ellensjacobs8@gmail.com](mailto:ellensjacobs8@gmail.com) or Laurie Dannison at [lauriedannison@gmail.com](mailto:lauriedannison@gmail.com) to volunteer to join our committee, to send your thoughts regarding membership, or to make any suggestions to help us in our efforts to support our congregation. We thank you in advance for your help.
