

## Congregation Sha'aray Shalom Caring Committee

The Caring Committee of Sha'aray Shalom mobilizes assistance to meet the needs of members of our community as we fulfill the mitzvot of G'milut Hasadim- acts of loving kindness. If each of us contributes just a little, we can accomplish a great deal and truly be a "caring congregation".

The Caring Committee assists members by offering:

- Outreach to members
- delivering knitzvah blankets
- Meals for the ill or bereaved
- Assistance with transportation issues
- Meals for families with new babies

Committee Co-chairs Brenda Elfman - [sbelfman@gmail.com](mailto:sbelfman@gmail.com),

Barbara Marcus [brmarcus@gmail.com](mailto:brmarcus@gmail.com)

Please inform the Rabbi, Cantor or co-chairs if you know of an individual or family who is in need of assistance.

### *Touching base with Congregants in Need...*

Please Help our Caring Committee Reach out to Congregants. Each Shabbat Service during the Mishaberah congregants share the names of other congregants and family members that are in need of healing. We would like to provide you an opportunity to share the congregant's contact information, so that the Caring Committee and Clergy may reach out to be of further assistance to our members in need. Please click on this link for the [contact information form](#). Contact Information cards will also be available in the Temple lobby.
