“Just Mercy”**

#1 NEW YORK TIMES BESTSELLER

- A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time.

SOON TO BE A MAJOR PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX

**Everyone is welcome!**

**Bryan Stevenson is the founder executive director of the Equal Justice Initiative in Montgomery, Alabama\*.** Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn't commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinksmanship—and transformed his understanding of mercy and justice forever.

*Just Mercy* is at once an unforgettable account of an idealistic, gifted young lawyer's coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice.

\* Equal Justice Initiative will be one of the stops on the tour.
