

SUMMER LEARNING OPPORTUNITY

*Brown Bag Lunch & Learn Series**

with Rabbi Joseph & Penny Alschuler

Tuesdays, July 9, 16 & 23

11am to 12:30pm

We will be discussing Sholom Asch's play *God of Vengeance* (available through Amazon or Barnes & Noble). It was first performed in Yiddish in 1907 in Berlin to rave reviews.

However, it met with a very different response in New York, where Yiddish Orthodox papers called it "filthy" and "immoral." On the other hand, radical papers labeled it "artistic" and "beautiful."

NO FEE, but please pre-register at execdir@shaaray.org or 781-749-8103

*Bring your own "Brown Bag" lunch
