

Everything you wanted to
know about converting
to Judaism . . .

Here is your chance to ask!

- ☆ *Contemplating Jewish Conversion?*
- ☆ *Where do you begin? What are the first steps?*
- ☆ *What is the process and the Mikvah all about?*
- ☆ *Or just curious about what conversion means?*

Join Rabbi Joseph for a lively conversation and an opportunity to have all your questions about Jewish Conversion answered. Hear from others in the congregation to learn why they have converted, choosing Judaism in a formal ceremonial way. What did they learn along the way? Did it change them, spiritually, communally, educationally? What were the similarities and differences with those Jews with whom they were in relationship?

This is an open conversation of exploration. Everyone is welcome whether you have thought about conversion or just looking to hear why individuals chose Judaism. Come meet a few congregants who have traveled this path in choosing Judaism. They are happy to share their journey.
