# Kiwanis®

I am so excited to announce that I, Prairy Riehl, will be running for Vice Governor at the 2021 Florida Kiwanis Convention.

My passion for kids and service through Kiwanis, along with my flexibility to meet the changing needs of our community during these challenging times, will be what we need to continue the powerful impact that the great Florida District of Kiwanis has on children in our community.

The most pressing need for many clubs right now is membership. I understand the importance of strengthening current clubs as well as building new clubs to reverse the trend of falling membership numbers. As both a Faculty Advisor and a Kiwanis Advisor to Service Leadership Programs, I recognize the tremendous impact Kiwanis has on developing the servant-leaders of tomorrow and the importance in continuing to focus on that effort.

As a former Young Children: Priority One District Chair, I am passionate about meeting the needs of young children at a time when their development is so critical. In the coming months, I encourage you to support the Faces are Essential Program and our partnership with FAIMH to provide clear masks to daycare workers (<https://www.faimh.org/faces>). Please join me in serving the children of the world. And please invite me to attend your Division's DCMs via zoom. I want to start to get to know you now! You can reach me at Prairy.Riehl@gmail.com or 407-900-7779.
