## What is the new “Tom’s Coffee Club” giving program?

- C&OHS wants to get at least 400 members (1/6th of the membership) to give us a-dollar-a-day donation. I liken this to the price of a cup of coffee a day.
- If you **pledge** this, we will deduct \$30 per month or \$90 per quarter from your card. It's simple, easy, and will give us a consistent income.
- **C&OHS cannot survive without donations from you, our members. Dues cover the magazine and a few other general expenses. Wages, and other costs must be provided by net income from sales, admissions, and most importantly, donations.**
- We NEED you – and this is a perfect way for us and an easy way for you.
- If you want to *pledge* at levels higher than a dollar a day, they are as shown on the next page.
- My question, friends: Is the C&OHS worth a-dollar-a-day to you?

Most Humbly & Respectfully,

Tom Dixon  
Founder

## Giving Levels:

**C&O Conductor** – “a-dollar-a-day” pledge – **“Tom’s Coffee Club”**

**C&O History Supporter** - \$450-\$749 pledge

**Allegheny Associate** - \$750-\$1,499 pledge

**Chessie Club** - \$1,500 and above pledge

Those in all four levels will receive a certificate of appreciation, a pin, and invitation to a donors’ reception at the conference.

Those in the Chessie Club will be hosted at a recognition dinner on *Gadsby’s Tavern*.

**At any level, you pledge now and tell us if you want us to charge your card monthly, quarterly, or in a lump amount.**

Telephone 540-862-2210 weekdays 9-4:30 with pledges or questions.

Use **www.chessieshop.com (click on “Donations”)** to pledge online.

Your pledge is on an “opt out” basis and you will be charged unless you tell us you no longer want to participate.

*There will be no more fall fund raising campaigns. This replaces them.*

**We strongly believe that only in this way can we launch the C&OHS into its second 50 years of service.**
