Subject:Arrival & Dismissal Information for Orchard Hill

Montgomery Township School District

Creating confident, compassionate, and successful learners

Good Evening OHES Families,

We look forward to welcoming back our in-person students next week! Please see below for a few important reminders regarding our return to hybrid instruction and please remember to complete the daily health screening form for each child that attends OHES!

Parent Drop-Off (PK-2, 9:20am)

- The two locations where you can drop off your child are via the main parking lot by the solar panels, or the cul de sac off of Burnt Hill Road near the Kindergarten classrooms.
 - For health and safety reasons, we are trying to limit the amount of students walking throughout the building. [Please consider using this map](#) as a guide for which location to drop off. Yellow homerooms should drop at the cul de sac, green homerooms try to drop off at the main parking lot.
- Important safety protocols
 - Parent should follow traffic pattern, pull up to curb, and student should exit on passenger side of vehicle.
 - Staff will be present at both locations
 - No parent should park their car and walk student to the entrance.

{PK half-day/Kindergarten AM pickup, 11:20am: We will use the entrance/cul de sac off of Burnt Hill Road. Kindergarten staff will be in charge of signing out students. Please make sure you bring your child's pickup sign that was provided in the fall. Please be prepared to show your ID upon pickup. Pickup signs will be provided for those students who are new to in-person learning. Pre-K pickup is adjacent to the cul de sac, closer to the former Kid Connection building.}

{PK half-day/Kindergarten PM drop-off, 11:50am: Parents can park in the main bus lane along the front of the school. From there, please walk your child up to the Kindergarten entrance where staff will receive all Kindergarten students. Please know doors will not open until 11:50am.}

Parent Pick-Up (PK-2, 1:30pm)

- As in years past, all students require a dated note with parent/guardian signature. If an adult who is not listed as an emergency contact in Genesis is picking up the child then he/she must be named in the note.

- Location: Main parking lot for all students
- Contactless pickup
 - Please make sure you bring your child's pickup sign that was provided in the fall. Pickup signs will be provided for those students who are new to in-person learning.
- If you need to make a change in your child's dismissal plan during the day, please call the main office at 609-466-7605 by 12:30pm. We will not be able to accommodate changes after this time. Do not email your child's teacher.

Travel Quarantine

The travel advisory is no longer specific to certain states. Because of the rising number of cases across the states, there is an increased risk of spreading COVID-19 upon return from any travel.

***** If you, your child or a member of your household travels out-of-state, please notify the school immediately.**

Your child will have to quarantine for 10 days after travel per the state guidelines, regardless of COVID-19 testing.***

For more information please visit [NJ Government COVID-19 Travel Site](#).

Materials & Supplies

If you have questions or concerns regarding what to bring in, please contact your classroom teacher for specific details.

Thank you and we look forward to next week!
