

Call for Research Abstracts

The Nathan Shock Center
University of Alabama at Birmingham
1st Annual Symposium on the Basic Biology of Aging
March 15, 2017 9:00AM – 3:00PM

The UAB Nathan Shock Center invites you to submit an abstract for First Annual Nathan Shock Symposium on the Basic Biology of Aging. Abstracts describing original research focused on the biology of aging and/or biomedical research as it applies to aging will be considered for both oral and poster presentations. The focus of the conference is on comparative biology and energetics of aging, including evolutionary biology, biophysics, genetics, genomics, proteomics, molecular biology, cell biology, biochemistry, endocrinology, immunology, physiology, pharmacology, neuroscience, and psychology. Clinical research will be considered if the work relates to underlying biological mechanisms of aging.

Abstracts should briefly (less than 300 words) provide a summary of the study, including rationale, procedures, results and conclusions. Please do not include tables or figures with your abstract. Please use 11 point Arial font and one inch margins.

Authors of selected abstracts will be invited to give an oral or poster presentation by February 10th, 2017. A \$200 prize will be awarded for best poster.

Please contact us at shockcenter@uab.edu with any questions.

Electronic Submission Deadline: January 27, 2017
(Submit online at www.uab.edu/shockcenter/symposium)

Deadline for abstract submission:	January 27, 2017
Notice of Selection:	February 10, 2017
Presentation at NSC Annual Symposium:	March 15, 2017
