

5TH DIMENSIONAL PRINCIPLES & BELIEFS

lived by AMAYRA & MICHAEL HAMILTON

I am – I am here – I am now!

**In my world and in my reality,
I am god, manifestor of all things!**

**In your world and in your reality,
you are god, manifestor of all things!**

I am trusting and experiencing Divine Providence's plan for my life!

I am loving, respecting, and valuing myself more than anyone or anything!

I am committed to following my heart!

**In every now moment, I am acting on my heart's highest excitement, joy and passion,
to the best of my ability, with no expectation or insistence on a specific outcome!**

I am fulfilling my purpose by being my true, natural, authentic self!

I am accountable and responsible for my thoughts, my words, my actions, and my wake!

I am always blessed, guided, protected, supported and loved!

**I always know, say, have, and do
what I need to, when I need to!**

**I always go, give, and receive
what I need to, when I need to!**

I respond as I am guided to respond to all that enters my life!

My reality is determined by my vibrational state of being!

I embrace the unknown and the ever-changing flow of life!

All truths are true to the people who hold them!
