*Welcome Home - Seekers, Kindred Spirits & Soul Family to Angel Valley and NuLEMURIA!*

Angel Valley is host to Angels, Star Beings, Elementals, Earth Energies, Beings of Love and Light, and is the home campus of NuLEMURIAN University.

Angel Valley's 5<sup>th</sup> Dimensional Sacred Energy, Angel Sites and Vortex Circles provide an excellent sandbox for NuLEMURIAN University's 'Experiential Journeys' into Knowing Myself, Loving Myself, and Expressing Myself.

We all arrive at points in our life when we realize that we are at a Crossroads, and that some things need to change. In those times, do we continue doing what we are doing, hoping things will change, or do we make a conscious choice to change? Things in our lives will shift and change when we shift and change!

By embracing 5<sup>th</sup> Dimensional Principles and Beliefs, we can begin exploring what it feels like to be 'Living in and from Our Heart'! To surrender and trust Our Heart's Inspiration and Excitement, is the only doorway out of our 'Societal Matrix Programing', Into the life we prefer in liberation, harmony, and balance as our Natural, Authentic Selves!

Join us on our 5-day, 8-day or 13-day 'Experiential Journeys' of Knowing, Loving, and Expressing Ourselves!

*"You cannot remember who you are – if you do not forget who you are" – Bashar*

**1. Knowing Myself - Statements and Mantras:**

In my world – In my bubble reality – I am GOD, manifestor of all things!

My state of being and my beliefs manifest my reality: My outer circumstances do not!

I am always blessed, inspired, protected, supported, and loved!

**2. Loving Myself - Statements and Mantras:**

I love – I value – I respect myself more than anyone or anything!

I listen with my heart, I think with my heart, and I feel with my heart!

I live in the Now – In the Unknown: I am present to receive my heart's inspiration!

**3. Expressing Myself - Statements and Mantras:**

I act on my heart's highest excitement, joy and passion, without attachment to a specific outcome!

I express myself entirely through my heart space as my natural, authentic self!

I am accountable and responsible for my thoughts, my words, my actions and my wake!
