Fitzroy Place a Denver Historic Landmark

Historic Fitzroy Place, also known as the Iliff Mansion, is the home of Accelerated Schools. Located at 2160 South Cook Street, Denver, Colorado 80210. Fitzroy Place is a historic landmark. As stewards for the buildings and grounds, we are responsible for all three of the buildings on the property. The Mansion, the Carriage House, and the home of the Care Taker make up Accelerated Schools. The school is a non-profit organization and is a 501(c)(3) corporation. The school derives funding from tuition; however, the buildings and land do not have a funding source. As stewards for the land and buildings, we host fundraising events and rely on grants to maintain the building and grounds.

Accelerated Schools of Denver

Accelerated Schools of Denver has individualized learning programs helping students overcome challenges, and excel academically. The fact is, a traditional school system is not designed to meet the needs of every child. When a student is not being successful or is not thriving in a traditional environment, parents must often look elsewhere for a solution. Students who do not have the means to attend a school like Accelerated also benefit from patrons like you.

Thank you for your consideration!
