## Kara Rogers Steps Up to Run for Cape Coral Mayor July 1, 2025

Hello, Cape Coral! I'm Kara Rogers, and I'm honored to introduce myself as a candidate for your next Mayor. I am a local attorney and one of the owners of Powers & Rogers, PLLC, here in Cape Coral. I have spent my career advocating for individuals and businesses, navigating complex challenges, and fighting for the best possible outcomes. My professional life has been built on a foundation of rigorous analysis, strategic problem-solving, and an unwavering commitment to improving the lives of the people around me—qualities I believe are essential for leading our beloved community.

My journey to this point has been shaped by hard work and a firsthand understanding of the struggles many families face. Growing up in a middle-class household, I learned the value of perseverance early on. I worked and took student loans to get through college and law school, and I overcame numerous challenges and setbacks along the way. This experience, combined with my background in law and experience with managing a local business, has given me practical insights into the daily realities and economic pressures affecting our residents.

I'm running for Mayor because I believe Cape Coral deserves a leader who will listen, truly understand our challenges, and work tirelessly to find sensible solutions that benefit everyone. From addressing crucial infrastructure needs like the utilities extension project to fostering smart growth and ensuring that we leave Cape Coral a better place for generations to come, I am committed to a future where Cape Coral thrives. My promise is simple: to be a determined advocate for the people of Cape Coral and to bring my experience, dedication, and passion for our city to the Mayor's office.
