

**Help us award college scholarships to graduating Grosse Pointe South students by supporting The Mothers' Club!**

Each year The Mothers' Club designates one-third of its fundraising profits for need-based and merit scholarships to graduating seniors.

In addition to scholarship's awarded by the Mothers' Club, some scholarships are awarded by community partners and families.

Last year, alumni from the University of Michigan and Michigan State University donated two scholarships each. Students awarded the "M Go Blue" award received \$500, and the "Michigan State Go Green," \$600. Again this year we are looking to fund these scholarships and three new scholarships for deserving students attending Grand Valley State University, Western Michigan University, and Wayne State University.

Show your school spirit by donating toward a college scholarship for a student attending your alma mater! You can also make a donation toward a general Mothers' Club Scholarship. All deductions are tax-deductible.

Thank you for supporting our students!

Paige George – Vice President, Scholarship  
Grosse Pointe South Mothers' Club
