

OUR COMMITMENT TO YOUR HEALTH & SAFETY

Pelican Sound
Golf & River Club

SIGNAGE

- > Prominent signage displayed for social distancing, mask requirements, and hygiene practices in all member and employee common areas.

EMPLOYEE HEALTH

- > Staff education on COVID-19 and all company protocols, hand-washing, and sanitizing procedures.
- > Proactive basic health screening prior to shift, including temperature reading and discussion about any symptoms.
- > Employees not feeling well are instructed to report their symptoms to their manager and stay home.
- > Appropriate PPE worn by all staff members based on their roles and responsibilities.

CROWD / GATHERING CONTROL

- > Limiting number of members in facilities at any one time to maintain adequate social distancing at all appropriate times.
- > Staff and management training on best practices to quickly reduce crowds, large parties, and lines.

CLEANING

- > Frequent and thorough cleaning in all high traffic areas, such as entry ways, lobbies, restrooms, waiting areas, and hand rails.
- > Using electrostatic sprayers to sanitize quicker in large areas, use less solution, and apply more complete coverage.
- > Upgraded air filters in HVAC systems to MERV-13 rating to improve indoor air quality and reduce risk of infectious diseases.
- > Common areas equipped with hand sanitizing stations.

1

Proper hand-washing often and using sanitizer frequently.
All staff members are wearing masks.

2

Disinfecting and cleaning all surfaces several times throughout the day.

3

Practicing social distancing and maintaining six feet between those around us.

STAY HOME IF YOU FEEL SICK!
