

Dear Pelican Sound Member,

In order to be proactive against the spread of COVID-19, we plan to take the following steps to provide a safe environment for all parties during our COBRA consumer experience day. As an effort to limit the number of people on the driving range at one time, we will be shifting from the traditional Demo Day to an APPOINTMENT ONLY FITTING DAY. This Fitting Day will include a member of the Pelican Sound Golf shop staff, a COBRA Demo specialist, and you, the member, for a one-on-one fitting appointment. By doing this we can limit the group size to four or less. We feel this is the best approach to take in order to ensure the health and safety of our customers yet still provide an excellent fitting experience.

After the fitting has concluded, we plan to disinfect all touch points including grips, fitting components, wrenches and iPads. Face masks will be utilized by the COBRA Demo Specialist as well as the Pelican Sound Golf shop staff. We feel these steps will provide a much safer working environment for everyone and we look forward to seeing you.

The COBRA Fitting Day is scheduled for Wednesday, October 21st between the hours of 11:00 am to 3:00 pm. To schedule your fitting appointment, please contact the Golf Shop by calling (239) 948-4333. You will receive a confirmation email 24 hours before your appointment as a reminder.

Sincerely,

The Pelican Sound Golf Shop Staff & COBRA PUMA Golf
