

Social Ladder Format

For those of you that do not want to play competitively, here is a good alternative for some fun tennis. You will have to sign up online every week that you wish to play. You do not have to participate each week. The season will run from October 19th, 2020, to December 8th, 2020.

Ladies 2.5/3.0, 3.0/3.5,3.5+ will play on Monday's and Wednesday's at 1pm.

Men's 2.5/3.0,3.0/3.5,3.5+ will play on Tuesday's and Thursday's at 1pm

In order to create this ladder/ round robin we will have different formats of play. The first three weeks of play will be as follow:

- Each round will consist of a fast four format. You will play with several players during the time allocated for the event, 5 or 6 rounds.
- Each set is first to 4 games, no add scoring.
- In the event of a tie at 3 games all, a 5-point tiebreaker (First to 5-points win by 1) will be played. (First server serves twice, second server serves twice, **SWITCH SIDES** after 4 points, third server will serve twice and if need be fourth server could or not serve 3 times or not serve at all depending on the score).
- Report the score of each round on the sheet provided.

Once the first three weeks are completed, we will move to the more competitive, fun format where you will be placed on the court with players of similar strength.

The format of these matches will be as followed:

- Each round will consist of 3 matches. Regular Scoring. You play 1 set with each player on your court.
- First team to reach 6 games.
- In the event of a tie at 5 games all, a 5-point tiebreaker (First to 5-points win by 1) will be played. (First server serves twice, second server serves twice, **SWITCH SIDES** after 4 points, third server will serve twice and if need be fourth server could or not serve 3 times or not serve at all depending on the score).
- Report the score of each round on the sheet provided.
